GLOBAL BUSINESS COMPANY LICENSED BY THE FSC

These swap-free trading account terms and conditions (The swap-free terms) are a supplement to the client agreement which governs our trading relationship with you (The Terms). The terms are an integral part of these swap-free terms.

These swap-free terms will be effective from the 1st of March 2024.

These swap-free terms apply to you if your account type is that of a swap-free trading account (The Swap Free Account).

1. Overview

- 1.1 Our standard account type is a swap-enabled account. We may agree to make a swap-free account available to you upon request.
- 1.2 Swap charges are rollover and interest charges applied when you leave a position open overnight (In accordance with the platform time-zone) (The swap charges)
- 1.3 If a swap-free account is made available to you, you will be able to trade select instruments (The instruments) free of swap charges.
- 1.4 If you have a swap-free account, all your accounts will by default, unless agreed otherwise by us, be swap-free accounts.
- 1.5 We may, at any time, at our discretion and without providing you with a reason:
 - Refuse to process a request for a swap-free account.
 - Amend, supplement, or revoke these swap-free terms without notice to you, or
 - Revoke the swap-free account status granted to you, in which case your account will revert to a swap-enabled account. Should this not be acceptable to you, you may terminate your account in accordance with the terms.

2. Applicable Fees

- 2.1 Notwithstanding clause 1.3 above, where a position, whether long or short, in an instrument remains open longer than a prescribed period (the grace period), such position will be subject to an administrative fee calculated daily (The administrative fee).
- 2.2 On Wednesdays, the administrative fee applied to your open positions will be three times the standard administrative fee, to reflect fees accrued on days where the market or underlying market is closed.
- 2.3 The administrative fee will appear on your statement each day as an 'admin fee' and will be displayed on a per-instrument basis.
- 2.4 The administrative fee will be deducted from the equity in your account at the end of each trading day. This will impact the equity in your account and may subsequently impact your margin requirements. It is your responsibility to monitor your account to ensure that you have sufficient margin to maintain your open positions.

2.5 A list of the relevant instruments, grace periods and administrative fees list may be amended, supplemented, or revoked at any time, by updating the list at the link mentioned above, at our sole and absolute discretion. It is your responsibility to monitor the list, and we are not responsible for any losses you may incur because of such changes.

2.6 If, on the effective date of these swap-free terms, you have a position that has been open for longer than the grace period, the administrative fee applicable to your open positions will be charged immediately and without further notice to you.

3. Restrictions and Termination

3.1 You are not permitted to use swap free account for the primary purpose of making a profit from swap charges.

3.2 You agree that if you have an account with us that is subsequently converted to swap free account, a swap charge otherwise payable to you may be lost during the conversion.

3.3 If we detect a form of abuse, fraud, manipulation, cash-back arbitrage, or other forms of deceitful or fraudulent activity on your swap-free account (as we determine at our sole and absolute discretion), we may, at any time:

- Exercise the rights and remedies available to us under the terms.
- Revoke the swap-free status of your swap-free account with immediate effect.
